

SUPPLEMENT TO

**THE
ELONGATED
COINS**

issued by

Lloyd E Wagaman

This supplement is being issued to be used in conjunction with the book "THE ELONGATED COINS" issued by Lloyd E Wagaman in 1973. In this supplement I am not attempting to give a written description of each coin as I feel that the drawings herein by James R Davisson and all mottos are clear and easy to read, so therefore a written description would be a waste of time. I shall list each coin by my catalog number and also by the name or title which I have assigned. Drawings will be shown with the catalog number below each drawing.
